College Planning Agreement

All parties understand and agree that:

- All consultant recommendations are based on her professional evaluation of the student's needs and abilities and are dependant on the accuracy of the information provided by the student and family.
- All recommendations are provided on a best efforts basis.
- The consultant's responsibilities may include: reviewing the students academic and activities profiles and making recommendations, researching and developing a list of schools that fit the students abilities, interests and needs, providing guidance with applications and essays, preparing the student for the interview process, and assisting the student and their family in making the final choice.
- The consultant does not write essays or fill out application forms.
- The consultant does not attempt to exert influence on college admissions offices.
- The consultant does not guarantee admission to, success in, or satisfaction with, any college or program.
- The student and family will maintain an appropriate schedule of contact with the consultant (i.e. responding to emails, texts, calling during normal business hours, etc.), conduct the admissions process in a timely and ethical manner, and inform the consultant of their final decision.
